**Subject:** Lower Willamette Group Request for Dispute Resolution

Dear Kristine and Lori,

Pursuant to Section XVIII of the September 28, 2001 Administrative Settlement Agreement and Order on Consent for Remedial Investigation/Feasibility Study, U.S. EPA Docket Number CERCLA-10-2001-0240, the Lower Willamette Group is initiating dispute resolution proceedings on the matters raised by EPA's January 4, 2016 letter to the LWG. Consistent with our January 6, 2016 agreement, we are providing our request for dispute resolution by email. Because of file size, the exhibits to the letter will be hand-delivered to you on CD this afternoon. The request for dispute resolution (including attachments) will also be posted to the shared server at the following location:

[Content](#) | [PHCP Files](#) | [Documents Under Review](#) | **2016-01-19\_LWG Request for Dispute Resolution of EPA Decision to Take Over FS**

As we discussed this morning, our request triggers a 14 day informal dispute resolution period. Please let us know when EPA is available to discuss this matter further.
